Failure to satisfactorily complete the application process may delay the operative date of the rebate. If you are uncertain how to complete the application process, please seek advice from your Retailer.

Where an electricity account is in more than one name, only one person who is eligible to receive the rebate and resides at the residence can receive the rebate i.e. a household can only receive one rebate.

Lodging Your Application

Your application whether written or by telephone must be received at least **14 days** prior to the next billing period, otherwise no guarantee can be given that the rebate will be credited for that next period. The Electricity Retailer will make every endeavour to credit the electricity rebate on the applicant's electricity account. It is the applicant's responsibility to check all electricity accounts to ensure that the rebate has been credited.

Privacy Notice
